

NEW LINAK SERVICES FOR CANBERRA

Staff from the Wheelchair Factory (Canberra) and The Wheelchair Factory (South Coast), recently completed training courses in Melbourne conducted by Linak Australia.

Linak Australia are the market leaders in actuators and control units commonly used on hospital beds, patient lifters, lift chairs and many tilt in space power chairs.

The Wheelchair Factory are now authorized Linak repairers and suppliers for the ACT and region, and the south coast of NSW.

Over time, The Wheelchair Factory intends to develop a comprehensive stock of exchange actuators, handsets, battery packs and Battery chargers, which will allow quicker response to our local clients.

In the meantime, If you would like to discuss programmed maintenance of Linak equipped appliances, or have equipment issues we can help with, please do not hesitate to contact us.

Regards,

Phil Whitelock
